

You're invited!

Have you been affected by a viral infection spread by ticks or mosquitos?

We are looking to understand how viruses passed on by mosquitos or ticks impact people over time and need your help.

We are inviting people with lived experience (including caring for others) to join an **online workshop** to shape future research.

Scan the **QR code** or click the [link](#) to find out more and register your interest:

Payment is provided for your time and expenses
