FOCUS GROUP INTERVIEWS

USE YOUR EXPERIENCE TO HELP SHAPE RESEARCH

We are recruiting people with hearing loss to share their experiences to help shape research. We will be holding 2 - 3 focus group interviews, and would like you to take part.

You are eligible to take part if you are 18 years old or older; have experience of hearing loss; and listen to music in your day-to-day life

The study will involve taking part in an online focus group interview (about 1 hour) and sharing your views and experiences about hearing loss, listening to music, mental health and wellbeing. You will receive an honorary payment of £30 for taking part.
